### \*REVISED REGULATIONS FOR DEGREE OF BACHELOR OF SCIENCE IN DAIRY TECHNOLOGY AND DAIRY HUSBANDRY

*N.B.*—The students admitted to the B.Sc., Dairying course before 1967 shall continue to be governed by the old regulations up to the year in which they are normally expected to complete the course and two years after that for failed students.

1. The examination for the Degree of Bachelor of Science in Dairying shall be held in two branches, namely, Dairy Technology and Dairy Husbandry. Each branch shall have five examinations, viz., First, Second, Third, Fourth and Final. Each of the first examinations shall be sub-divided into two semesters. The examination for the first semester will be held in the month of November each year or on such date as may be fixed by the Syndicate. The examination in the first and second semesters shall be held in the end of April each year or on such other date as may be fixed by the Syndicate. The final examination will be held in April or May following the completion of in-plant training.

2. Every candidate shall forward his application to the Registrar by the 1st of March in the case of examination to be held in April and first of October in the case of examination to be held in November accompanied by the prescribed fee.

3. Whenever the application or fee of the candidate is received more than three days after the last date prescribed above, he shall pay an additional fee of Rs. 5 as late fee provided that such application shall only be entertained up to two weeks before the commencement of the examination.

4. The amount of admission fee, including the fee for detailed marks certificate, to be paid by a candidate shall be as follows :—

4. For the 4th examination	55	110
5. For the Final Examination	55	110

\*To take effect from the admissions of 1967.

5. If a candidate is unable to pass both parts of any examination in two academic years, he shall not be allowed to continue his studies for the degree of B.Sc. in Dairying. If, however, he is unable to appear in the examination owing to illness and this fact is certified by the Principal of his college, he may be given extra chance at the next examination, but the number of such chances shall not exceed the number of examinations missed owing to illness certified by the Principal.

6. As soon as possible after the examination, the Registrar shall publish a list of successful candidates.

7. Men students before being allowed to sit for a University examination shall undergo N.C.C. training and shall attend at least 75 per cent of the N.C.C. parades in accordance with the rules approved by the Syndicate from time to time.

8. Each academic year will consist of two semesters as follows :—

*1st Semester.*—From 15th July to 30th November, (including examination). Mid term break 15 days.

*2nd Semester.*—From 15th December to 30th April, (including examination).

9. Immediately after taking the Final examination, every student shall undergo practical in-plant training from the beginning of the session in July to the end of March of the following year in a factory approved by the Principal of Dairy Science College. On completion of the in-plant training every student shall attend the Dairy Science College at Karnal for 4.5 weeks during which he shall present a report on in-plant training and shall appear for the Final examination which shall consist of theory (one paper) and an oral examination on his training. He shall also bring a report on his training from the Head of the Factory in which he received the training.

10. Every candidate shall receive the Degree of Bachelor of Science in Dairying on being declared successful in the Final examination and also in the examination on in-plant training. The examination on in-plant training will be conducted by the Principal who shall submit a report to the University.

### FIRST EXAMINATION IN DAIRYING

11. The examination shall be open to :—
